Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

# DEDICATION

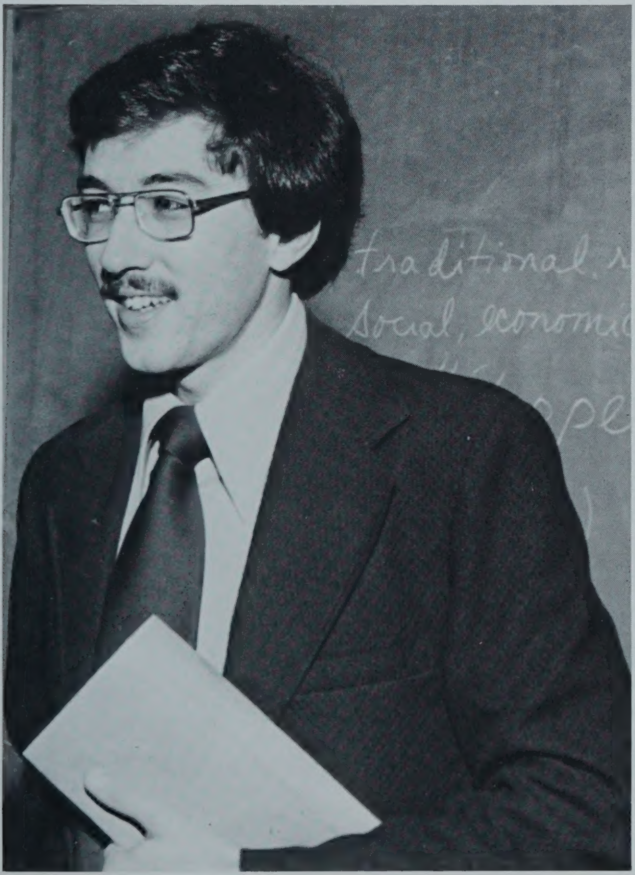
MILLBURY
STAFF

The Senior Class of 1980 proudly dedicates this yearbook to our class advisor, Mr. Dennis Leonard. Seldom has there been an opportunity to adequately show our gratitude for his hard work and service. Therefore, through the dedication of our yearbook, we would like to express our thanks for the guidance and assistance he has offered as our class advisor.

Throughout our high school years, Mr. Leonard has unselfishly devoted his time and support. With his help and encouragement, we have become a unified class, accomplishing all that we strove to achieve. All of our success is attributed to the dedication and leadership of Mr. Leonard. The time he has given us will always be remembered and greatly appreciated. Good luck in the future Mr. Leonard and thank you for always being there when we needed you.

# IN APPRECIATION

To Mrs. Frances Dupont, in appreciation for all you have done for the Class of 1980, we thank you for four years of teaching, guidance, help, and most of all, friendship. Throughout our hard times and achievements, you were always there, willing to contribute your services. You have made our lives richer and more meaningful. This is something we will carry with us always. May Millbury High always be blessed with the ideals you have bestowed upon all of us. We extend to you our deepest gratitude, love and respect.



We would like to extend to Mr. Roger Desrosiers our sincere appreciation for his service to our class and the school. Through his enthusiasm and dedication, he rekindled an interest in the Drama Club which gave rise to several successful productions. This induced a sense of spirit and value to the students of Millbury High School. Also, his advice and encouragement have helped us to attain the goals we strove to achieve. Thank you Mr. Desrosiers. Your involvement within the school and our class has provided us with a better four years of high school.

# *YEARBOOK ADVISOR*

Seldom has there been a person who has contributed so much time and effort to our class, and to the school as a whole, as the yearbook advisor, Mr. Robert Nicoletti. With patience and guidance, Mr. Nicoletti has helped to create a successful yearbook. Also, through his hours of dedicated coaching, he has produced victorious athletic teams as well as distinguished athletes. Thank you, Mr. Nicoletti, from the Class of 1980.

# UNDERCLASSMEN & CLUBS

# JUNIOR CLASS

Lorraine Gauthier, President; Sue Altemus, Vice-President; Patti Dunn, Treasurer; Maggie Phillips, Secretary.

The class of 1981, advised by Mr. Gary Robinson, began this year early by participating in the July 4th activities at Windle Field. On this day the class had a "Keystone Cop Booth," along with balloon selling. As part of the tradition, the class again sponsored the, "Almost Anything Goes," in which the juniors won. However, their winning streak was upset when the seniors came from behind to win the Winter Carnival this year. The class also held concession stands for the basketball games.

The big event of the junior year, the Prom, was held at Mechanic's Hall with Joshua Tree as the band. The night was a great success. They are looking forward to a profitable and memorable senior year.

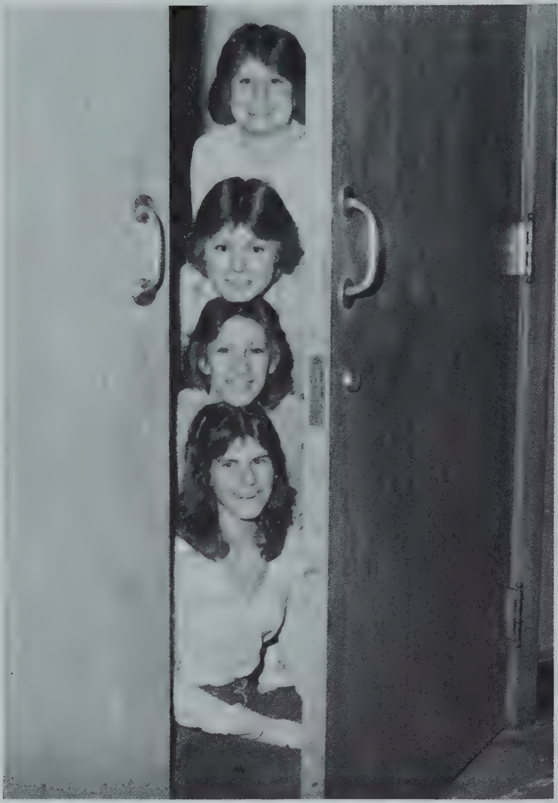
Darlene Manguilli, President; Kelly Hagan, Vice-President; Mary Belsito, Secretary; Chris Nadeau, Treasurer.

# SOPHOMORE CLASS

The class of '82, advised by Mr. Scott Healey, sponsored many fundraising activities this year. These events included a T.V. raffle, a $75 raffle, and a car wash. All of these proved to be very successful. During Winter Carnival week the sophomores organized a Mr. Millbury contest which helped to "build" class spirit amongst the students.

As usual the most memorable event was the ordering of class rings in October. The sophomores received their rings in January. The seniors would like to extend their best wishes to the class of '82 as they become upper classmen in September.

# FRESHMEN CLASS



Karen Gosselin, President; Sue Modig, Vice-President; Chris Chioda, Treasurer; Brenda Leonard, Secretary.

The class of 1983 got off to a good start this past year. Advised by Miss Roberta Beando, the class held elections in December. In February, elections were held for homeroom captains so that class news would be sure to reach all freshmen. By March the freshmen were ready to attempt their first fundraising event, selling Sylvania lightbulbs and 2 year-planning pocket calendars. They also conducted a bake sale and car wash in order to raise money. Now that the freshmen realize how important it is to raise money, we would like to wish them the best of luck in all their future fundraising projects.

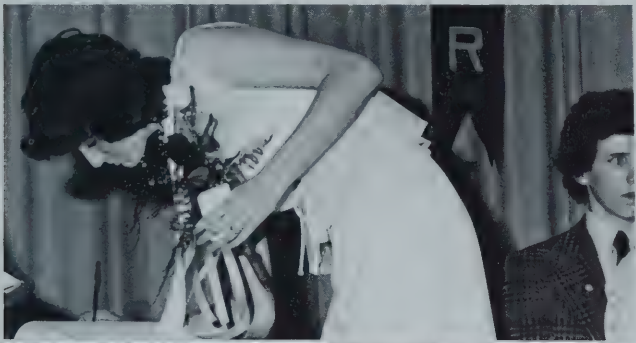
# NATIONAL HONOR SOCIETY INDUCTION

On Friday, March 21, 1980, fourteen new members were inducted into the National Honor Society. Welcoming addresses were given by Doreen Webb, president of the society, and Mr. Charles Capparelli, Vice-Principal.

Speeches on the four qualities necessary for membership, character, scholarship, leadership, and service, were given by Joyce Ostrowski, Dennis Leonard, Louis Lusignan, and Lynn Ethier. A speech entitled "In Pursuit of Excellence" was given by Janet Sherman.

In appreciation of her dedication and invaluable assistance, our advisor, Mrs. Frances Dupont, was presented with a beautiful ruby ring. A special presentation was made to Mr. David Wilbur for the time he has devoted to the success of the society.



# OLIVER

On December 8 & 9, the Millbury Drama Club, under the direction of Mr. Roger Desrosiers and Mrs. Ann Silvernail, presented the musical play OLIVER. It was a great success and included not only 52 students, but 8 faculty members as well. Although at times it seemed as if we would never see home again or make anything but a mess of the play, our efforts were not in vain.

Seniors who participated in the production were: Lynn Ethier, Harry Griffin, Doreen Iwaniec, Mary Beth Legassey, Lou Lusignan, Perrry Riani, and Doreen Webb.

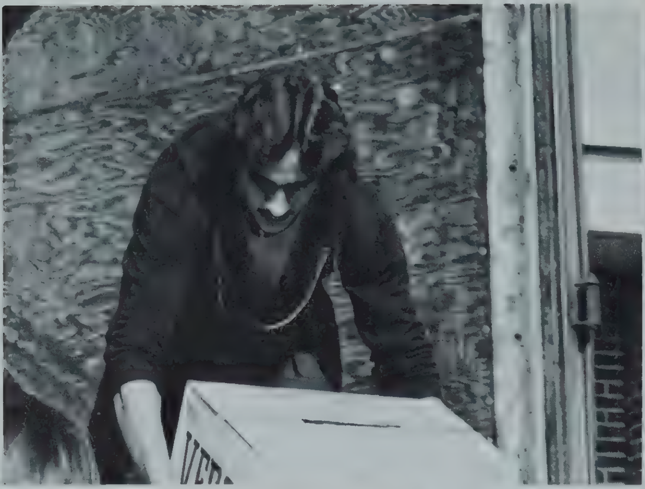
# FUND-RAISERS



During the school year, many activities were sponsored to raise money for our class. These included a fruit drive, candle sale, raffle, button and pennant sale, car wash, and pancake breakfast. Though not all fund-raisers yielded the expected profits, the class did a great job in earning what was needed for their various senior functions.

# WINTER CARNIVAL

On February 9, 1980, the second annual Winter Carnival was officially opened with the Junior's win of the Almost Anything Goes contest. However, true to form, the Class of '80 was not far behind and for the second year in a row came from behind to win the battle between the classes and take home the trophy.

Though for a while the class of '81 looked as if it had it all wrapped up, we knew they were very disillusioned. Chalking up important wins in the tug-o-war, mural and poster contest, along with floor hockey, and the equally important second place finishes are what led us to victory.

Also, there was a fifties dance, records night, school colors day, and a Sadie Hawkins Dance which ended the week on a note of triumph when the class of '80 was presented with the winning trophy.

The Carnival was a great spirit builder for the school and helped bring about a feeling of unity among our classmates. We hope it will be continued even after our departure.

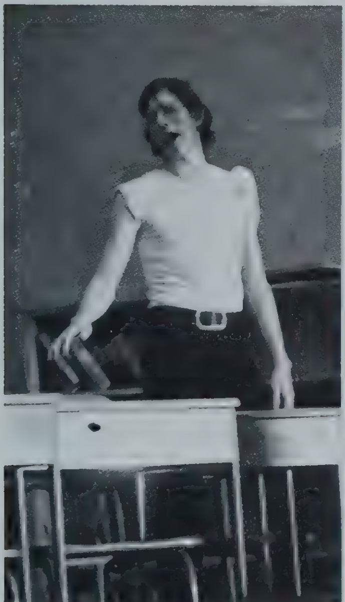
# UP THE DOWN STAIRCASE

On March 8 & 9, the Millbury High Drama Club presented the production of "Up the Down Staircase" under the direction of Mr. Roger Desrosiers. The cast included seniors Lou Lusignan, Mary Beth Legassey, Doreen Webb, Lynn Ethier, Doreen Iwaniec and Perry Riani on Stage Committee. Although the crowd was not as large as expected, the show was as worthy as the other Millbury productions.



# STUDENT GOVERNMENT DAY

On May 2, Millbury High School once again held its Student Government Day, in which students take over town positions for a day. There were many seniors involved, participating in such duties as being members of the School Committee, Selectmen, Council on Aging and Cemetery Commissioner. The day ended with a meal served at the Asa Waters Mansion where students ate and spoke with their counterparts.

AT
OAK n' SPRUCE

Monday May 19 started out as a dreary, gray, dismal day, the day of our Class Trip. We had waited all year for this day and were afraid it would be ruined. However, luck was on our side as the weather cleared and the sun came out.

Everyone enjoyed the "nature walks", the two pools, the sauna, and the other outdoor activities. No one will forget the time that was had at the Oak and Spruce Resort along with all the other fun times at Millbury High.

# SENIOR SUPPER

On May 20, 1980, the Senior Class of Millbury High School held its Senior Supper at Holy Cross' Hogan Center. It was a beautiful night and everyone was psyched for the occasion. The meal was to be served at seven thirty and the band to begin at eight. **Joshua Tree,** the band, did start on time causing nearly everyone to eat their meal in between dances. All in all it was a great night with favorable gifts given out to members of the class.

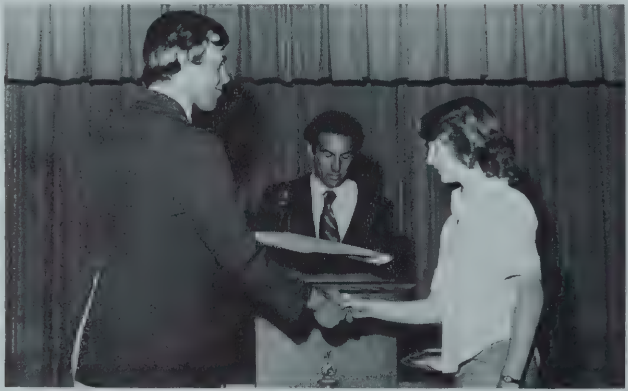
# ATHLETIC AWARDS NIGHT

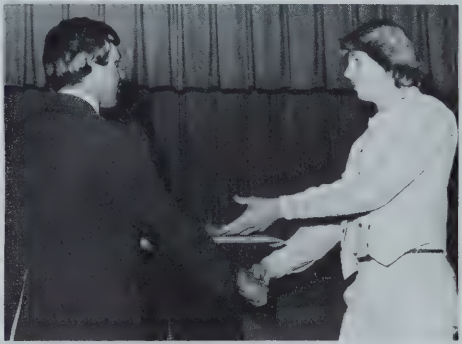
Millbury's annual Athletic Awards Night was held on May 27, 1980. Unlike past years, it was held in the auditorium without a banquet ceremony. However, it was a night to be remembered. On this night athletes received their awards in the form of letters, T shirts, jackets, or plaques. Many seniors received their share of the honors.

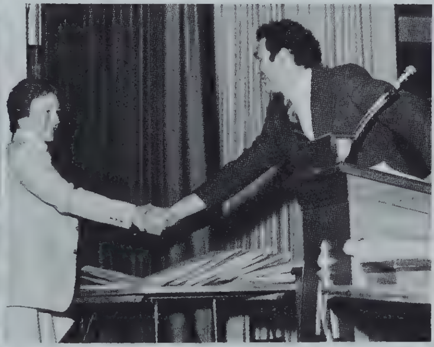
Scholar athletes were recognized on this night for maintaining an 85 average during their athletic years and at the same time attaining a minimum of four varsity letters, one of which was earned in the senior year. Doreen Webb, Dennis Leonard, Lynn Ethier, Henry Griffin, Kerrie Gilbert, and Judy Stickney received scholar-athlete plaques.



The Donald Witkowski Memorial Award was presented to Wendy Simpson and John Hachey while Lynn Ethier and Dennis Leonard received the Athletic Director's Award. Henry Griffin and Brenda Belsito were recognized as the recipients of the District III Athletic Director's Award.

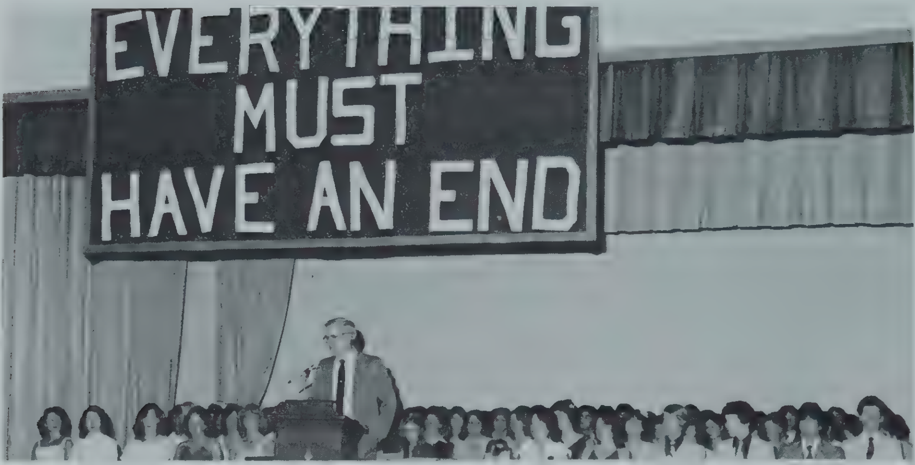
Also awarded on the night were the Most Valuable Player trophies. Most of these awards were granted to seniors who had shown truly outstanding achievement in a particular sport: Dennis Leonard, football; Pete McDonough, basketball; Pauline Young, girls' cross country; Nick DiCarlo, baseball; Wendy Simpson, field hockey and softball; Sharon Doud, volleyball; Brennan Wall, boys' cross country; Billy Stairs, boys' winter and spring track; Lynn Etheir, girls' track; Al Graves, ice hockey; and Henry Griffin, soccer.





# ACADEMIC AWARDS NIGHT

On June 4, Millbury held its annual Academic Awards Night. On this night awards for both scholastic achievement and scholarships were given to deserving students. For those who had achieved an 85 or above average there was a certificate or pin. For those who had done this for four years a plaque was received. Also given out were Horace Mann awards for those who had attained a 90 or above average for two years in a row. Other awards included departmental awards for outstanding performance in a particular area. The Class of '80 made a great showing and if there were awards for all those who contributed to making this class great, everyone would have walked away with one.



# CLASS DAY

"Everything must have an End" was the motto of our Class Day, June 6, 1980. It was the day the class was together for the last time, singing the class song by Bob Seger, "The Famous Final Scene". The Class History, Last Will and Testament, and Prophecy were also read bringing about fits of laughter from the class and the audience. The class also presented our advisor, Mr. Leonard, with a 4-piece set of redwood lawn furniture, for all the hard work he's done for our class.

# CLASS HISTORY

As we the Class of 1980 face our "Famous Final Scene" of graduation, memories from our high school years are recollected.

Being young and insecure in our new domain, our freshman year was not as active as our following years. However, our class advisor, Mr. Bomengen, helped to get us started and we elected class officers for the first time. Those elected were Nancy Tokus as President, Brenda Belsito as Vice-President, Cindy Eckland as Treasurer, and Debbie Cashman as Secretary. The only other main activity we were involved in was the sponsoring of a dance for the school.

In our Sophomore year, Mr. Leonard became our new class advisor. After one year under his guidance, our class refused to allow him to leave; a motion Mr. Leonard obviously did not argue with since he is still with us now. During our sophomore year, we elected new class officers. President was Doreen Webb, Vice-President was Cindy Eckland, Treasurer was Debbie Cashman, and Secretary was Brenda Belsito.

An important occasion for us during this year was the ordering of class rings. The class voted that everyone should be allowed to order whatever color suited their individual tastes. Other activities that the class was involved in were a bake sale held at Sentry Supermarket, which was quite successful; a candy sale; and a door-to-door selling of memo boards and calendar date books. Before we knew it, the year was over and it was time for summer vacation.

When we returned in the fall for our junior year, we found that Mr. Leonard planned to keep us busy. Since our last bake sale was such a success, we decided to hold another. An additional campaign our class was involved in was the selling of linen calendars. Our junior year was also the first year the school held a Winter Carnival, thanks to the urging of Mrs. Dupont. Overall, our class won the Winter Carnival with a total of 300 points. Finally, what our class had been waiting for all year had arrived — the junior prom. It was held at the Sheraton Yankee Drummer Inn with Night Hawk as our band. The theme song was Bob Seger's, "We've Got Tonite". Kathy Fairbanks was crowned prom queen, and her court consisted of Lynda Beaton, Brenda Belsito, Cindy Davin, Mary Herbst, Lori Kruger, and Michelle Sauriol. Our chaperones for the night were Mr. Drake, Mr. Roach, Dr. Sylvia, Mrs. Saucier, Mrs. McCarron, Mr. George Desrosiers, Mrs. Dupont, and Mr. Leonard.

To begin preparing for our final year at Millbury High, we elected class officers. They were President — Doreen Webb; Vice-President — Dennis Leonard; Treasurer — Debbie Cashman; and Secretary — Brenda Belsito.

To prepare for great financial endeavors that were expected in the spring, our class began its fundraisers. For starters, we sold candles, a rather unsuccessful endeavor unfortunately. Also, we were involved in running the concession stand at night football games, a fruit drive, and a pancake breakfast with a car wash.

Next, the Winter Carnival was held for its second consecutive year. And again, we won with a total score of 420 points. It was a close contest between ourselves and the juniors but our perserverance and experience paid off in the end.

Now that our fundraisers were over, it was time for us to really enjoy! On May 19th, the class trip was held at the Oak n' Spruce Resort. Although the day was not as sunny as we had hoped, we still enjoyed ourselves. On May 20th, the Senior Supper took place at the Holy Cross Hogan Center. The band was Joshua Tree which kept us dancing the entire night.

Our class was in for a special treat when the day before our last Mr. Drake announced that the seniors were dismissed. Until this day we are still unsure of the motives behind this action.

A tremendous amount of effort and dedication was put into the past four years by our class. We would like to especially thank our class advisor, Mr. Leonard, for providing the stimulus in all our undertakings and for working extremely hard with almost unlimited patience. He always managed to get us moving, otherwise we would not have reached the point we are presently at. We would also like to express our appreciation to Mr. Nicoletti, our Yearbook Advisor. If he had not taken over this job, we would not have a yearbook. Last but not least, we would like to thank the people in the faculty and administration for the guidance and assistance that they have provided over the past four years.

Although we are facing our "final scene" of graduation, like previous classes we will always treasure the memories of our school day experiences. In closing, we would like to thank you, the audience, for attending our Class Day of 1980, and offer our best wishes and good luck to the following graduating classes.

# CLASS PROPHECY

Good evening ladies and gentlemen. This is roving reporter Janet Sherman with Pat Catherwood. The year is 2000. Come with us as we present the newscast of the future and see which of our classmates are in the news.

Our top story tonight comes to us from the steps of St. Paul's Cathedral in Rome, where the former Rock star Matt Bollus has just been ordained Pope Bole I. When asked if his new position would affect his singing career, Father Matthew said he plans to form a new group called "The Disco-ing Deacons," under the management of Ken Pousland. Father Matthew further commented that he intended to appoint his former lead singer Mary "Boom-Boom" Legassey as the first female priest.

On a happier note we now take you to Washington, D.C. where local police have reported a rash of unusual attacks upon political candidates. It seems that presidential candidate Doreen Webb awoke yesterday morning to find her garbage can mysteriously missing. Authorities suspect the notorious threesome Debbie "Killer" Cashman, Sandy "Love-em-and-leave-em" LaBreck, and Martha "Never Say Die" Norton, better known as the vegetable vandals, to be the culprits. Similar victims include vice-presidential candidate Lynn Ethier; Secretary of State Cheryl Gendron; Secretary of Defense Kathy "Kung-Fu" Fairbanks; and C.I.A. Director Linda Casey. Police Chief Dennis Leonard believes the vandals use all the stolen garbage to supply local dump owners David "Pile It Up" Picard, Wendy "Push It Around" Provencher and Thomas "Recycle It" Rochon. They have been seen consorting with restaurant owners Mike Moreau, Susan Couture, and Laurie Cutting. Police first suspected the trio when local restaurants began advertising "Landfill Leftovers" as the newest lucheon plate. Customers have been complaining of green patches, bad breath, and a crossing of the eyes. Restuarant customer Nick Pinto has filed a law suit with the local firm Tokus, Trottier, and Underwood after discovering a tennis sneaker in his sandwich. The lawyers have promised to keep the case on the run. Film at 11:00.

In Mexico today, authorities are still baffled as to the cause of the near fatal plane crash of Agricultural Airlines flight #369. The airline is owned and operated by John Gagliardi. Flight attendants Andrée Laflash, Pauline Young, and Chris Briddon managed to escape the crash, accompanied by pilot Mark "High in the Sky" Chabot. The smoke from the cargo continues to envelop the city resulting in unusual behavior. Local citizens Dean Collette, James Barney, and Ron Kerswell were seen chasing parked cars. When asked of the conditions in his city, Mexican President Mark Frederico's only comment was "City, what city?"

Now for the sports. Henry Griffin led the first successful soccer team in the United States to the National Championships. When asked why owner Louie Lusignan has never been seen playing professional soccer, Mr. Griffin replied, "Those who can do, those who can't teach." Mr. Lusignan was not available for further comment. Wendy Simpson was named athlete of the year today, after successfully defeating John Hachey at the 10th annual Bubble Blowing Championship. Contestant Hachey was disqualified when his bubble exploded upon local spectators, Lynda Beaton, Debbie Murray, Cindy Nelson, and Lori Nasuti. Officer Dave Bourdeau reported that they have a very sticky problem, but the real danger lies in the possibility of permanent tooth decay.

In Colorado today, world famous track stars Perry Riani and Billy Stairs were arrested after they were seen recruiting victims for the international broad jumping championship. Applicants included June Gurinian, Debbie Dattis, Sandy Tourigny, Karen Pariseau, and Robin Boyda. The girls commented they would not lose the job lying down.

In basketball today Celtic stars Bob Bekier, Pete McDonough, and Danny "Dunk It" Stewart led the team to a decisive victory over the Millbury Midgets. Midget members Wayne Duso, Paul Langevin, Rich Fortier, and Joe Randall were able to keep the opposing team from scoring over 4000 points. Celtic manager Nick DiCarlo hopes the team's next conquest will be over the Grafton Giraffes, managed by Al Graves.

Genetic researcher Ronny Brunelle won the Nobel Prize today for his newest creation — a 300 ton mass of slime which consumes everything in its path. According to local heath official Mike Bernard, the creature was last seen attempting to devour New York City. Authorities are asking for help from the Marine commanders Sharon Doud and Darlene Butler. Concern is being placed upon the search for Ron's wife Judy Stickney, who was last seen wandering the streets calling "Junior, junior?" If you have any information concerning the slime and its whereabouts please contact photographer Maureen Maynard who wishes to take an inside shot.

On the human interest side, gossip columnist Doreen "I Know What Your Doing" Iwaniec, has just completed her memoirs. The 21 volume set is available through local publishers Allen Dominy and Mike Griggs. The publishers told reporters that the names, addresses, telephone numbers and weights of every single human being is included within the set.

On the Hollywood scene. Excitement errupted today when famed singer Jane Jagielski caused the state of California to break away from the continental United States after hitting an unusually long, high note. Managers Maureen Racicot and Nancy Delude were quoted as saying, "That's the breaks!"

We now take you to Studio 54 where entertainers from all over the world have gathered to honor professional partiers, David Hagstrom and Shari Hagan. Guests include our class wits, Diane Haddad and Rick Allard, who performed their famous act entitled "Mr. Bomengen Citation Syndrome." Also seen was famous contortionist Cindy Boyda, accompanied by paid escort Brian Mellen. I, for one, am glad to see that class flirt Mellen has put his talents to good use. Mr. Mellen's other clients have included the new Charlie's Angels, Mary Herbst, Deb Carney, and Michelle Sauriol, along with talk show host Luanne Marrino and soap opera star Carmen Wooden. Despite the carefully organized agenda, Studio 54 experienced difficulties. Problems arose when dance instructors Brenda Belsito and Anthony Romano requested that music director Jim Kerr play disco during their lessons. Mr. Kerr was quoted as saying "I don't like disco" and refused to honor their requests. The conflict was solved when studio owner Rick Hall decided to play only the happy sounds of Slim Whitman for the rest of the evening.

Despite the drastic change in music, Penny MacNeil and Bobby Bruso took first prize in the annual dance contest. The trophy was awarded by Mark Lavallee and Kristen Conger, managers of Scott Tellier's Tarnished Trophy Company Inc. Resident bar tender, David Weidman, refused to serve Kerrie Gilbert and Tracy Pierce without proper identification. Mr. Weidman was forced to call in professional bouncers Eric Bengtson and Steven Dufault in order to remove Laura Goyette and Bob Rainville who had not moved from the bar in five and half days.

Security personnel Steve Herriage, Mark Reiser, and Eric Dempsey, commented that they had not seen such a record crowd since Ernie Horn's Harem Girls, starring Chris Mitro, Kathy Fox, Lisa Johnson, and Linda Lund, performed their belly dancing routine.

On the lighter side, model Richard Goyette made fashion history today when he appeared in the first disposable tuxedo. Designers Lori Kruger and Cathy Green, along with manufacturers Marc Elie and Steven Norquist, were forced to recall the suits after company chemist John Stone discovered they would ignite in temperatures above 13 degrees.

A rash of unusual occurrences happened today. Naturalist Donna Guiou was attacked by a flock of angry birds while performing her famous calls for bird-watchers, Sally Lazaro and Lisa Anderson. In Nevada, Eddie Lange was reported as being the first individual to sleep through a major earth quake. Neighbor Stephen Rodwill commented that Eddie finally awoke when a refrigerator door was opened.

On a sentimental note, this station would like to return to good old Millbury, Massachusetts. Our first stop is the happy home of Karen Pozzi, now wife and mother of six. Familiar Sentry Super has become Jim's Place, under the management of Jim Giro. Denise Flamand and Cindy Davin greeted us as the friendly cashiers. On a visit to the town office building, we met with town clerks, Daina Brantas and Lori Swett. Anthony Belliveau and Pete Berthel have taken positions as town selectmen. Vinny Allard owns his own chain of gas stations. Jennifer Boucher and Bettie Hamilton have opened their own boutique. As we traveled through the center of town we were surpised to see that not much has changed, including the bench warmers. Phillip Latraverse, John Leavens, and Mike Rousseau had formed their own group called the Millbury Marauders. We were told that membership was restricted to the very elite. The old center school had been turned into a day care center, run by Gina Giorgio, Pam Carrignan, and Cindy Eckland. Robin Carroll opened her own hair salon, and Joyce Ostrowski had become Millbury's first and probably last friendly travel agent. Our final stop in Millbury before returning to civilization was at the high school. We were shocked to see that Brian Jezyk had taken the position of school principal. Police Chief Danny McCullen said that the students have never been as close to each other as they were in 1980, but with the aid of guidance counselor Nancy Noel he hopes that Brian can maintain some kind of order.

We find it is time to leave Millbury now but the memories of friends and experiences we have shared will always be with us no matter in what part of the world we are in. This is station MHS saying goodnight and have a pleasant tomorrow.

# GRADU

On June 8, 1980, Millbury High's Gym was the set for our "Famous Final Scene", graduation. Monsignor Mederic J. Roberts gave the invocation and blessing of the class. Mr. Martin Roach, former assistant principal, was the guest speaker for the day. Lynn Ethier gave the salutatorian speech, while Joyce Ostrowski gave an honors speech. Our classmate Jane Jagielski was the soloist who sang "You Will Never Walk Alone" and "We've Only Just Begun". It was a day we will never forget — the day we ended our high school days.

The 1979 Varsity Soccer team combined skill, experience, and enthusiasm en route to their most successful season in the club's history. The team compiled a 10-2-3 record, being led by the prodigious coaching of Robert Chenevert, and qualified for District play for the first time.

The offensive attack of the Woolies combined for 43 goals and were led by forwards Harry Griffin (Captain — 12 goals), Nick DiCarlo (8 goals), and Louis Lusignan (7 goals) and halfbacks Bob Bekier, David Picard, and John Hachey. A strong defense was also posted for the season, allowing only 12 goals totaled. It consisted of the afore mentioned halfbacks plus fullbacks John Nasuti, Ron Brunelle, Brian Jezyk, and David Vecchio, with goalie David Perras. Millbury also displayed great depth with reserves Wayne Duso, Scott Bernier, Martin Devine, Chris Pappas, Bob Anthony, and Perry Riani seeing much action.

During the 1979-1980 season, the varsity field hockey team had an overall record of 4 wins, 3 losses, and 9 ties while under the coaching of An Harrington. The four captains of the team were Brenda Belsito, Lynn Ethier, Wendy Simpson, and Judy Stickney. Many seniors were involved this season. Debbie Carney, Debbie Cashman, Kerrie Gilbert and Linda Lund played on the offensive line. While the offense scored goals, the defense was usually successful in keeping the opponent from scoring. Jennifer Boucher, Lisa Johnson, and Martha Norton were major keys in the team's defense. With a little luck the team should have posted a 14 win, 3 loss record.

Next year's team is bound to have a successful season with the many girls who participate in field hockey.

The 1979-80 football team was basically in a rebuilding year with only seven seniors in the squad. Although the team struggled to a two win, eight loss mark, it had the spirit and determination that a team should have. Tri-captains Erik Bengtson (T & G Class-C honorable mention), Dennis Leonard and Tony Belliveau, along with seniors Rick Allard, Mark Lavallee, Brian Mellen, and Dave Hagstrom kept the team's spirit high. Head coach Bob Hayes and assistants Dennis Sullivan and Mal Kelley gave the team the discipline it needed.

The Woolies began the season with four dismal losses. They then had a well fought victory over Grafton and played a great game in a 14-0 loss to Oxford. After another loss the Woolies came up with their second victory over Leicester. The team approached the Thanksgiving Day game with much pride and determination. However, this did not prove to be enough against potent Northbridge. The Woolies were crushed 38-0 but their pride enabled them to keep their heads high.

Coached by Gordon Battye, the 1979-1980 boys cross country team had a rather dismal season of 4 wins and 12 losses. With not one senior on the squad, the team was involved in a rebuilding program. One bright spot on the team was captain Brennan Wall. Wall finished first in a great majority of the meets. He finished third in the Southern Worcester County League meet. Other members of the squad were Jim McNamara, Gregg Woodward, Chris Altemus, and Danny Gilbert. With a little more participation and support, next years team may achieve a successful season.

Tri-captains Pauline Young, Andree Laflash and Cheryl Warren led their team through an excellent season. The Woolies finished the year with an overall record of 13 wins and 3 losses and then a league record of 11 wins and 1 loss. In just their second full year of competition they tied Northbridge for the league championship.

Kathy Sylvia set six course records and qualified for the state meet in which she placed 18th. Two outstanding freshmen who were an asset to the team were Julie Graves and Lynda McInerney.

All of the girls worked very hard and improved throughout the year.

The Most Valuable Player, Pauline Young, placed a pressure 5th against Northbridge and enabled Millbury to hand Northbridge its first defeat ever in cross country competition.

Co-captains
Pauline Young, Cheryl Warren.

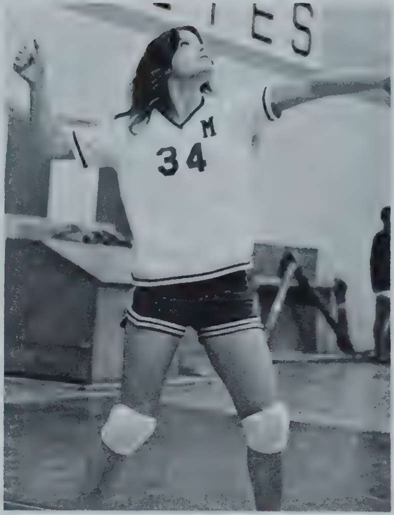
Row 1 (L to R): L. Marrino, P. Catherwood. Row 2: D. Morelly, S. Doud, D. Thorn, Coach S. Stepien, L. Berryman, D. Iwaniec, R. Fresolo.



During the 1979 fall volleyball season, the team demonstrated a tremendous improvement over previous years. The serving, setting, and spiking skills as well as overall unity and play showed a marked improvement. Most of this was due to the efforts of the coach, Mrs. Stepien. The team also had the opportunity to be instructed by a college volleyball coach, Kevin Keene.

Because volleyball is a relatively new sport at Millbury High, the team did not have as much experience as most other school teams. Despite the record, the efforts of the players and coach were present. The varsity captains for the year were Luanne Marrino and Pat Catherwood. The J.V. captains were Cheryl Frazier and Nancy White.

Co-captains
P. Catherwood, L. Marrino.

The 1980 boys varsity basketball team, coached by Ron Dunham, started the season with an amazing streak, winning their first six games with little trouble. Millbury has never begun with a 6-0 record in 15 years. However, the streak ended by a loss to Northbridge by a wide margin. The next two games were lost, as well, to David Prouty and Uxbridge. Despite the favorable opening of the season, a 12-7 record finalized a somewhat disappointing year. The starting team consisted of Pete McDonough and John Hachey as co-captains and top two scorers respectively; Bob Bekier, leader in assists and steals; Harry Griffin, leading rebounder; and Steve Erickson as an all around offensive and defensive player. Playing well were Mike Moore and Bob Anthony. Dennis Leonard, Anthony Belliveau, Brian Jezyk, and John Nasuti were great second string players.

Coached by Margaret Bradford, the 1979-80 girls varsity basketball team had a very successful season with eleven wins, eight losses. Despite the good record, the team narrowly missed the District competition. Led by tri-captains Debbie Cashman, Lynn Ethier, and Wendy Simpson, the team finished in a tie for second place in the Southern Worcester County League. Also contributing to the team's fine season were seniors Brenda Belsito and Shari Hagan. Next year's tri-captains Nancy Graves, Ann Brady, and Pam Couture were catalysts for the team. Hopefully they will lead their team to an even more successful season. Plenty of suppprt will be supplied by this year's J.V. team, which posted a 18-1 record.

## GIRLS' TRACK

Co-captains Lynn Ethier and Doreen Webb did an excellent job in leading a very young team to a fine 13 and 1 season. Aided by seniors Pauline Young, Kerrie Gilbert, Andree LaFlash, and Judy Stickney they also clinched the league title and won the league meet for the fourth year in a row.

Five school records were broken this year. Cheryl Warren set records in the 200 yard dash and the long jump. Mary-Ellen McDonough set a league record in the 100 yard dash, while Sue Akley became the first Millbury girl to break the 100 foot barrier in the javelin. Linda Kulig's seemingly safe record in the 880 yard run was broken by an outstanding freshman, Julie Graves.

The girls' 4 x 110 relay team consisting of Debra Walsh, Doreen Webb, Mary-Ellen McDonough, and Cheryl Warren took a first in the All-Class District meet and along with Cheryl Warren (100 yard dash), Mary-Ellen McDonough (220), and Julie Graves (880 yard run) represented our school in the state meet held at Andover.

M.V.P. Lynn Ethier had her finest year, finishing in fourth place on the "All Time Scoring" list.

## BOYS' TRACK

The 1980 Boys' track team continued its dominance in the Southern Worcester County League. Although the team had only 23 members, the boys became the SWCL dual meet champions for the fourth time in five years and won the SWCL league meet for the third year in four years. The team also placed third in the District III Class C meet and thirteenth in the All-Class meet. The team also extended the consecutive dual meet victory streak to 25 before losing to Shephard Hill 74 to 71. Another major accomplishment of the team was that all boys scored and 83% of the team earned their letter.

The team was led by Bill Stairs who broke the school records in the shot put (48'10½"), javelin (174'6½"), 120 yard high hurdles (14.7), 220 (22.6), 440 (50.5), single season scoring (339 points), and career scoring (705½ points).

Tony Belliveau, Martin Devine, Jeff Blondin, Brennan Wall, Perry Riani and Dan Stewart were also leading scorers of the team. The Millbury Athletic Association again selected Bill Stairs as the team's Most Valuable Player.

## GOLF

Led by senior captain Bob Bekier, the golf team completed another successful season this year. After a slow start with losses against Hopedale and Oxford, the team came on strong to compile a 9-4-1 record. The most consistent player for the golf team, and the sport's 1980 M.V.P., Ken Wood, also contributed much to the team's success. Along with Ken Wood, team members Scott Bernier, Alan Hope and Bobby Townsend will be returning next year, offering a great deal of hope for future teams. Senior Brian Jezyk showed great improvement this past season and was also instrumental in the squad's success.

The team was coached by Richard McGrail, who has much to be proud of in his young team's performance this year.

## SOFTBALL

This year's Varsity Softball finished the season with a record of 6 wins and 12 losses under their new coach Mr. Leonard.

The record was not indicative of the ability of the ball team. When the season was 2/3 over their record was 2 wins and 11 losses. The team was inexperienced, but learning each and every game. Finally it happened. We had a big game against Oxford and won 25-16. The girls finally received the confidence they needed to win. They finished the season by winning four of their last six games.

Co-Captains Wendy Simpson and Donna Guiou worked very hard to assist the younger girls to become better ballplayers. Debbie Cashman and Sandra LaBreck were the only other two seniors on the team and also contributed to building a young team into a team that will be a championship contender in the future.

Also congratulations to Wendy Simpson for her accomplishment in being appointed to the Telegram and Gazette Division II All Star team.

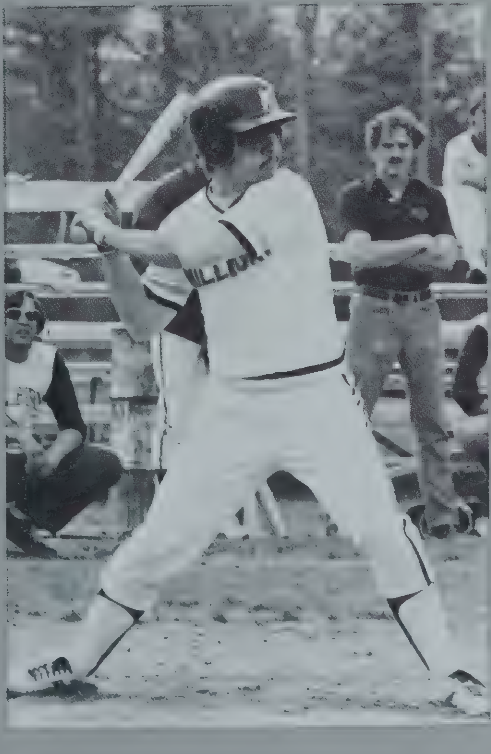
## BASEBALL

The varsity baseball team completed an outstanding season this June in compiling a 16-3 regular season record, and qualifying for the District III playoffs, only to lose in the finals to Westboro. Solid defense and depth in pitching complimented the persistent hitting attack of this year's squad, as Ray Greenwood coached his way to another SWCL title.

The power hitting and exceptional fielding of senior Nick DiCarlo, earned him M.V.P. honors for the season and a spot on the Telegram and Gazette All-Star team. The consistent playing of senior David Picard, made him the starting left fielder on the Central Mass. Coaches' All-Star team. Other senior captains helping to form the backbone of the squad were Dennis Leonard, John Hachey, Mark Lavallee, Henry Griffin, and pitching standout Ron Brunelle.

Another reason for the success of this year's squad was the great strength in their bench. Many talented substitutes filled the roster this season, most of whom will be returning next year to forge yet another strong team. These subs were senior Steve Herriage, and juniors Lou Dranginis, Steve Erikson, Brad Thomas, Randy Mogren, John Nasuti, Dennis Boire, Mike Leonard and Dave Perras.



MVP Nick DiCarlo.

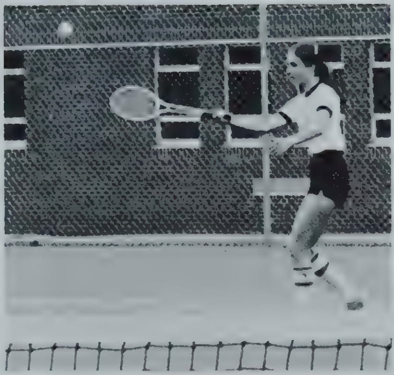
# TENNIS



Row 1 L to R: L. Humphrey, A. Tufts, G. Choinere. Row 2: K. Norton, D. Morelly, M. Marrino, M. Belsito, J. Belanger.

### TENNIS

Tennis is a relative newcomer to the sports field at Millbury High, being just a club in the previous years but converting to a sport in 1980. The team, which consisted mostly of juniors and sophomores, was plagued by inexperience and lack of depth as they finished with a 1-11 record. Coached by William Rosen, and led by Ann Tufts and Mary Belsito, the squad did show great potential, and with all members returning next year, should improve upon their record a great deal.

Other members of the tennis team were Karen Norton, Maggie Phillips, Laura Humphrey, Patty Dunn, Gail Choiniere, Jean Belanger, Debby Morelly, and Michelle Marrino. With increased consistency, and persistent hard work, 1981 will hold a brighter future for the girls.

Cheerleading tryouts began in May. The six girls chosen to cheer for the varsity football team were co-captains Laurie Gagliardi and Mary Beth Legassey, Ellen Chevalier, Kathy Lavallee, Lisa Trottier, and Diane Walsh.

During the summer the squad attended I.C.F. (International Cheerleading Foundation) Pom Pom Spirit Workshop at Williston North Hampton Academy. Two ribbons were awarded to the girls; one for excellence and one for most improved.

Basketball season began with the addition of seven girls to the squad. The outcome of this tryout was Laurie Gagliardi and Diane Walsh as co-captains; Karen Anderson, Jeanne Belanger, Ellen Chevalier, Chris Chioda, Sue Goyette, Robin Headrick, Kathy Lavallee, Cheryl Tremblay, Lisa Trottier and Ann Valley.

The girls were psyched with school spirit as they entered two cheerleading tournaments. One was held at Holy Cross College where the girls won honorable mention. The second tournament was held at David Prouty High School where the girls ended a triumphant season by placing eighth out of 20 squads. With the help of the crowds, both football and basketball cheerleaders exhibited definite Woolie spirit.

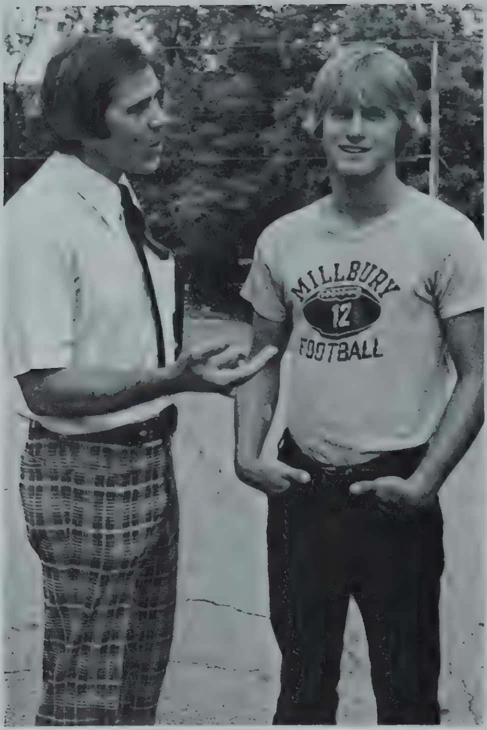
Your 1980 Yearbook Photographers



# YEARBOOK STAFF

On behalf of the yearbook staff and the members of the senior class, I would like to take this opportunity to thank all of the sponsors, patrons, friends, organizations, and companies who contributed to the yearbook. Special thanks also go to Mr. Drake, Mr. Clancy, Casson and Foster, The Hunter Publishing Company, and especially Mr. Leonard for their help and co-operation.

Your yearbook staff put a great deal of time and effort into the production of this yearbook and should be commended for a job well done. Emphasis was placed on making this a "senior" yearbook and an honest attempt was made to include as many members of the class as much as possible. I enjoyed working with your Editor-in-Chief, Martha Norton, your editors, and all concerned. I sincerely hope that you will enjoy your yearbook.

Best of Luck,
Nic

EVERYTHING
MUST
HAVE AN END

Think in terms of bridges burned
Think of seasons that must end
See the rivers rise and fall
They will rise and fall again
Everything must have an end.
Like an ocean to a shore,
Like a river to a stream
It's the famous final scene.

How you tried to make it last
Did you really think it would?
Like a guest who stayed too long
Now it's finally time to leave
Yes, it's finally time to leave.
Take it calmly and serene
It's the famous final scene.

Now you move toward the door
Here it comes, the hardest part
Try the handle of the road.
Feeling different, feeling strange
This can never be arranged
As the light fades from the screen
From the famous final scene.
Bob Seger
